## News and Notes

The cicadas are emerging from their husks, we are emerging from our pandemic cocoons—it's a pretty heady metaphor! We can look forward to an **in-person social gathering on June 23** (location to be determined). See the message from President Tom on page 2. The opportunities of summer seem sweeter than ever!

Our **Farmers Market** operations continue to follow the latest public health guidelines to ensure the safety of our patrons, vendors, and volunteers. As of now this means "Masks Are Encouraged", not required. [The volunteer sign-up list for June has many open shifts.](#) Get your pick of the slots by signing up early!

Our annual **Partners in Education Meeting** will be held by Zoom on **June 9**. We will be recognizing one staff member from each of our three high schools who has gone "above and beyond" the call of duty during the pandemic. We will also be awarding our **Vocational and Sheryl Friedley scholarships**, and recognizing the Madison baseball player who was chosen to receive our first annual **Jim Houston Leadership Award**. A Zoom invitation and link specific to this meeting has been sent out, so check your email.

**Director of Youth Ed W. reports:** "The annual JOI Club recognition meeting was held on May 19, with representatives from the Marshall and Madison Octagon Clubs, Thoreau MS and Louise Archer ES JOI Clubs. The students gave an overview of what they were able to do amidst the constraints imposed by the pandemic, how they innovated, and their outlook for next year. All agreed that they eagerly look forward to functioning fully as clubs next year. That includes helping us sell Christmas trees, among other things. The clubs at Marshall and Madison have provided tutors to the program offered by Belong!, a local community organization, for students at Cunningham Park Elementary and expect this to continue next year as Belong! expands."

**Liberty Amendments Month starts June 19th in the Town of Vienna**, and we are part of it! This celebration of the "four amendments to our Constitution [13th, 14th, 15th, and 19th] that, together, provide a common opportunity for all to help shape our nation and benefit our diverse heritage",\* is the brainchild of **Vienna Town Manager and Optimist Mercury Payton**. Other Optimists are playing key roles in event planning and citizen engagement. Our Farmers Market will host a table every Saturday during the month to share awareness the this innovative and important celebration. Check it out!

*From President Tom Bauer*

*Greetings fellow Optimists!*

This month is shaping up to be a busy month starting with our Partners in Education and vocational scholarships on June 9th. June 19th marks the beginning of the Town of Vienna's Liberty Amendments celebration honoring four amendments to the Constitution freeing slaves, granting citizenship to those born in the USA, and securing voting rights for people of color and for women. Our club will be participating in various ways at the Farmers Market so be sure to come out and support us.

I would like to propose an in person social meeting for June 23rd at a local venue TBD for those who feel comfortable getting together. It's been way too long!

This month your Board will be focusing on amending and simplifying the by laws and conducting an internal audit of our finances. We are looking for someone from inside the club who would have the necessary expertise to do this.

Thanks to all who voted for the 2021-2022 slate of officers. Our new officers have been officially elected.

Sad to report that Jim Wilson had a serious fall at the Farmers Market a few weeks back but is now recovering and starting to feel like his old self. I'm sure Jim would love to hear from his friends for well wishes so consider giving him a call in the next week or two.

Hope all in your family who are eligible have gotten their vaccinations and are ready to enjoy a "normal" summer!

*Optimistically,*  
*Tom*

**News to Shout About!**

**More \$\$ for Scholarships and Awards:** Our Board recently voted to increase our scholarships and contest awards. The Carol Waite Brennan Scholarships for high school seniors will be \$2500 per student. The Vocational Scholarship and Sheryl Friedley Scholarship will also increase to \$2500 each; the Jim Houston Leadership Award will be \$1000. Prizes for the Essay Contest, Oratorical Contest, and TR Cook Youth of Excellence Awards have been doubled. Our donations via the Helping Hands Awards were increased to \$300 per elementary school.

All of this is made possible by the outstanding efforts of our members: selling Christmas trees, staffing the Farmers Market, and donating. The best way for us to continue this and other support of youth is to share the word about Optimists and invite new members to join us.

**Spread the Word: Bruce and Fritz,** our dynamic membership team, sent out materials to help each of us be an ambassador for Optimists and do our part to encourage new members. If you have any questions, need encouragement, or lost the first email, contact Bruce or Fritz!
